

September 2024 President's Message

September is here and so is the Hill Climb. On September 14th beginning at 10 AM, ten hearty souls will climb Hill Street between Obispo Ave and Temple Ave to re-enact the hill climb event that graced Signal Hill for two decades. This event coincides with the City of Signal Hill's centennial celebration and the 70th Anniversary of the LBMTC.

Come join us for the hill climb and festivities after the event. See the Flyer on page 8.

Last month I kind of felt like a plastic surgeon. Nellie Bell (my touring) had a grinding in the rear end during the national tour and had to be trailered home. After taking apart her rear end it was discovered the babbitt washer turned to mush, the ring gear lost some teeth and bearing in the drive shaft fell apart. So with the help of several Model T surgeons, I put Nellie's rear end back together. Now she glides down the road like a ballerina.

What's coming up? The October Ghost Town Tour, set up by the one and only John Bowman, which promises to be one of his best. Then make sure your calendar is marked for Gunther's yard on the first Sunday in December and the Christmas Party and 70th Anniversary celebration December 8th at Recreation Park Golf Course Club House.

Hope to see y'all at these events.
