

April 2026 President's Message

LBMT's General Meeting in March 2026 featured our very first podcast! It was a fresh and fun program. I would like to thank John Bowman for arranging this podcast and supplying the audio equipment. It was an impressive setup. I would also like to thank Glenn French, Jeff Hood, Lana Stephens, Leonard Glick, and Robin Fry who were the "guests" on the podcast. Finally, I would like to thank our Audio/Visual Technician, Doug Mullins.

At this March 2026 meeting, everyone was pleased to hear Leonard Glick's announcement that an LBMT Hill Climb will be held on Saturday, June 27, 2026! Our members looked like a bunch of kids excited about driving a 100+ year old car up the steepest hill in Signal Hill, which is perfectly normal. Thanks to Leonard Glick who has established and maintained a good working relationship with the staff at the City of Signal Hill.

Do you have a favorite place for breakfast? If so, please let me know. I'm always looking for a new restaurant to visit.
